

Kredittilsynet (The Financial Supervisory Authority of Norway) warns against investment offers promoted by Highland International Advisors

Kredittilsynet has been informed that **Highland International Advisors** has approached Norwegian investors offering investment services. The company also offers services from a website <http://www.highlandintadv.com>.

Kredittilsynet wishes to make it clear that Highland International Advisors is not authorised to provide investment services in Norway, and therefore lacks the licence required under Norwegian law. The company is consequently not subject to Kredittilsynet's supervisory oversight, nor has Kredittilsynet approved the services offered by the company. Kredittilsynet therefore recommends investors not to enter into agreements with or transfer assets to Highland International Advisors.

Kredittilsynet's registry <http://registry.kredittilsynet.no/> (<http://www.kredittilsynet.no/wbch3.exe?p=2509>) gives details of all companies authorised to offer investment services in Norway. A list (not complete) of companies operating in the market without a licence can be found on Kredittilsynet's website (<http://www.kredittilsynet.no/wbch3.exe?p=2068>).
