Warning against Wallstreet Financial, WSF

Finansinspektionen (the Swedish Financial Supervisory Authority) has today published this statement in order to warn investors against dealing with unauthorised firms. Wallstreet Financial is not authorised by Finansinspektionen and is therefore not entitled to provide financial services. Finansinspektionen has not received any notification of cross-border activities from other EES countries.

Wallstreet Financial had a website (www.wallstreetfin.com) using the following address: 255 Woodcliff Drive Fairport, NY 14450.

Wallstreet Financial's representatives contact investors through unsolicited telephone calls and offer to buy their holdings of shares in an American OTC company. However, the investor must first pay a fee in advance, "De-restriction (10%)". This is an advance fee fraud scheme.

To find out whether a company or individual is authorised, check Finansinspektionen's website at: www.fi.se under "Authorisation".
